OBJECTIVE

Aspiring Full Stack Developer with practical experience gained through internships and academic projects. Skilled in building responsive web applications using Spring Boot, React.js, Flask, and MySQL. Completed multiple hands-on projects, showcasing strong problem-solving and collaboration skills. Enthusiastic about applying **AI/ML fundamentals**, learning clean architecture practices, and building secure, scalable applications in a professional development environment.

SKILLS

- **Languages & Frameworks:** Java, Spring Boot, Python, PHP, JavaScript (React.js, Node.js, **Angular**)
- **Front-End Technologies:** HTML, CSS
- **Backend & Databases:** RESTful APIs, **MySQL**
- **Architectural Knowledge:** currently learning Microservices Architecture
- **DevOps & Tools:** Git, GitHub, Postman, (Learning: AWS, CI/CD)

WORK EXPERIENCE

- **WEB DEVELOPMENT INTERN** **07/2024 - 09/2024**
ERA DIGITAL
 - Developed responsive front-end components using **React.js, HTML5, CSS3, and JavaScript** in a component-based architecture.
 - Built scalable backend services with **Django and MongoDB**, integrating **RESTful** APIs for seamless frontend-backend communication.
- **Java Full Stack INTERN** **4/2025 - Present**
Zidio Development (Remote)
 - Developed a full-stack **Enterprise Expense Management System** using **Java Spring Boot, React.js with Redux Toolkit, and MySQL**, enabling robust user authentication, workflow approvals, and real-time data visualization.
 - Built dynamic UI with Material UI and Chart.js, delivering responsive dashboards and real-time analytics for tracking expenses and approvals.
 - Collaborated within a 3-member Agile team, participating in daily stand-ups, sprint planning, and peer reviews to deliver production-ready features over a 3-month internship project.

PROJECTS

- **Portfolio Website| Personal Project**
 - Designed and developed a responsive personal portfolio using **HTML5, Tailwind CSS, and JavaScript**, optimized for fast performance across mobile and desktop.
 - Integrated **GSAP and AOS libraries** to deliver animated transitions and interactive UX, improving visitor engagement.
 - Built a **Spring Boot + MySQL** backend to securely process contact form submissions, with seamless REST API communication and validation.
- **HOSPITAL MANAGEMENT SYSTEM | Academic project**
 - Developed a Hospital Management System using **PHP and MySQL**, deployed locally via **XAMPP**, enabling data management for patient records.
 - Integrated TCPDF to automate report generation, reducing manual documentation workload by 40%.
 - Enhanced user experience with AJAX-based updates and dynamic content loading using **HTML, CSS, and JavaScript**.

➤ **Expense Tracker Web Application| Academic project**

- Created a **full-stack expense tracker application** using **Spring Boot**, **React.js**, and **MySQL**, supporting core features like recurring payments, budget tracking, and transaction history.
- Implemented role-based access control and developed user-friendly dashboards with admin panels for managing users, categories, and financial records.
- Delivered a clean and secure authentication system with session management and input validation.

EDUCATION

SOA UNIVERSITY, Bhubaneswar MASTER OF COMPUTER APPLICATION- 7.91CGPA	Nov 2022 - Oct 2024
K.S.U.B. COLLEGE, Bhanjanagar B.Sc. - 7.5 CGPA	2018 - 2022
K.S.U.B. COLLEGE 12th SCIENCE - 61%	2016 - 2018
PCP HIGH SCHOOL, LEMBHAI 10th - 81%	2015 - 2016

CERTIFICATE

- **Certified Web Developer – ERA DIGITAL**
Completed hands-on training in HTML, CSS, JavaScript, React.js, and backend development during internship.
- **AWS APAC Solutions Architecture Program**
Participated in foundational training on cloud infrastructure, EC2, S3, and IAM concepts (preparation for AWS SAA certification).

SUBJECTS OF INTEREST

- Machine Learning & Artificial Intelligence (AI)
- Data Science
- Data Analytics

Extracurricular Activities

- Passionate chess player with strong strategic and problem-solving skills developed through regular practice and competition.
- Avid follower of global sports, especially football; actively track tournaments, match analysis, and team strategies.
- Deeply engaged in world geopolitics and international relations; regularly follow global affairs and read opinion pieces to stay informed.

PERSONAL DETAILS

- Nationality: INDIAN
- Languages known: English, Hindi, Odia
